TORONTO ENVIRONMENTAL ALLIANCE PRESENTS

EcoBunk Awards

For advertising excellence in confusing the public & compromising the environment

Our annual fundraiser and comedy show pokes fun at the most outrageous corporate green advertising of 2007. Sometimes we even point the finger at ourselves. We present nominated ads under different categories and reveal the winner. The laughter lasts for two full hours. Come celebrate with us! Ecobunk is a popular and favourite event among the environmentally-minded in Toronto, Hamilton, Waterloo and points beyond.
